

**RBA**  
RELIEF BED WHOLESALE

ABOUT OUR  
**FOUNDER**

The creation of Relief Bed Wholesale has been a dream of mine for many years. I desired to use my 25 years as a manufacturer and innovator in the furniture and bedding industry to create a company that could in part act as a funding mechanism for the non-profit organization I started in 2015 called Relief Bed International. Relief Bed International is a 501c 3 Non-profit which supplies beds, pads and sleeping mats to disaster relief projects worldwide and in support of homeless shelters in the USA. To date Relief Bed® has distributed/donated more than 30,000 beds, pads and mats directly and in cooperation with its corporate partners. Most recently, Relief Bed International donated 1,000 beds to support humanitarian efforts in the Ukraine and also donated 500 beds to support recovery efforts from the devastating earthquakes in Turkey and Syria. For more information about Relief Bed International please visit [www.reliefbed.org](http://www.reliefbed.org)

Our goal with Relief Bed Wholesale is to initially dedicate 10% of our net revenue from each sale towards building beds to distribute through Relief Bed International. This way Relief Bed International will have a steady inflow to continue its work world-wide. We hope to include other charitable partners as we grow.

Our overall mission is to provide Relief to You through a rejuvenating nights rest and Relief to the World by providing those displaced by natural disaster or experiencing homelessness with a bed.

I hope you enjoy the collection of sleep and furniture products we have put together.

**Scott Smalling**  
**Founder**

## WHY RELIEF BED WHOLESALÉ?

At Relief Bed Wholesale we have worked hard to curate a fantastic and exhaustive line of sleep and furniture products as well as keeping our prices as low as possible with some of our products comparable to others at almost twice the price. We achieve this by having very low overhead, reasonable margins, no expensive advertising budgets, no gimmicks (which cost money to support) and lastly a small, passionate and nimble team who are mission focused. As we embark on this journey we can assure you that we will continue to push the envelope on product offerings, unique and thoughtful marketing campaigns and we will be calling on the biggest untapped resource in the market.

**Stay Tuned!**

## GIVING BACK

Relief Bed Wholesale is a business with a mission. Our plan is to donate 10% of the net revenue from every sale. Our main partner will initially be Relief Bed International, but we plan on expanding to other non-profit partners which will provide you a choice of where your donation will go.

The following pages share some of Relief Bed Internationals projects over the last 8 years.

During COVID Relief Bed International dedicated resources, created assembly areas and time to build face shields for care givers. Scott Smalling called on his children Hunter and Sharky along with his Father Jay to help build hundreds of face shields.

# GLOBAL RELIEF BED PROJECTS

## KAMPALA, UGANDA ORPHANAGE PROJECT 2015

Sent 30 Relief Beds to Orphanage in Uganda. Another partner made steel bunk beds to house the Relief Beds. These children had only slept on the ground prior. Remember your joy as a child on a bunk bed, now triple it.

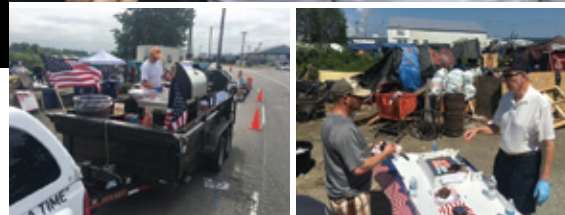

## 2017 PUEBLA, MEXICO EARTHQUAKE

In collaboration with the organization Giving Children Hope - Relief Bed International donated hundreds of beds to help those displaced by the earthquake.

## 4TH OF JULY CELEBRATION 2017

Relief Bed Team and volunteers built a mobile kitchen and served a holiday picnic in two locations to approximately 50 homeless friends in Tacoma, WA

## TACOMA, WA SHELTER

Relief Bed partnered with the City of Tacoma and donated 100 Relief Beds for their new Emergency Shelter facility.

**2021**

**PROJECT MEXICO & USA**

**RELIEFBED**

Relief Bed International in partnership with World Vision has donated hundreds of Relief Beds in recent years to assist with World Vision's work at the Mexico / USA border for emergency sheltering and for disaster relief efforts in the USA.

**RELIEFBED**

**PROJECT TURKEY & SYRIA**

Relief Bed International partnered again with Convoy of Hope to air ship 500 beds to support those affected by the devastating earthquakes in Turkey and Syria.

**2023**

**RELIEFBED**

Shortly after the beginning of the war in Ukraine we started reaching out to organizations to partner with, in country, to support those displaced by the war.

We are thrilled to have partnered with Convoy of Hope and World Vision with a donation of 1,000 beds. A special Thank You to all of those who supported this project!

**UKRAINE PROJECT 2022**

**2023**

**PROJECT MAUI, HI**

**RELIEFBED**

**MAUI WILDFIRES RESPONSE.** Relief Bed International in partnership with World Vision donated 100 Relief Beds to support the recovery and rebuilding efforts in Maui, HI.

# MATTRESSES

With a quality Mattress being the cornerstone of a good nights sleep, I made sure that it was the first product selection in this catalog. Through decades of mattress manufacturing and innovating I made sure to offer just enough mattresses to provide you a choice, but not so many that it will be confusing. All 6 of our mattresses come in a medium/medium firm support. I strongly believe this is the best level of support for most sleepers in order to achieve your best sleeping posture. Our 2 premium ALL FOAM, memory foam, mattresses provide a very stable and conforming comfort along with our value priced 6" ALL FOAM Mattress. Our 3 premium HYBRID, memory foam and latex, mattresses provide a little more resilience and movement on the mattress if this is your preference.

**All premium mattresses come with a 10 year warranty.**

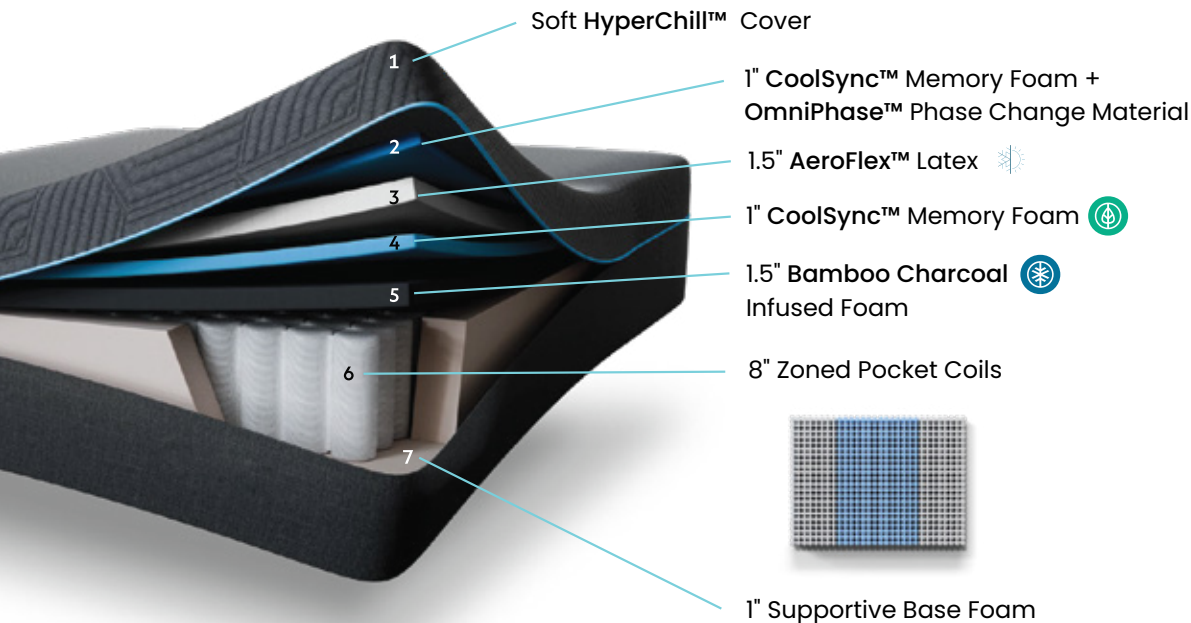

- COOLSYNC™ FOAM  Cool and contouring feel
- ACTIVEAIR™ FOAM  Responsive and plush feel
- AEROFLEX™ LATEX  Supportive, quick-response feel

- OMNIPHASE™ LAYER  Phase change material for continual temperature regulation

# ADJUSTABLE POWER BASES

Don't knock it until you try it. Having an adjustable power base under your mattress is a game changer. For decades the sole purpose of a standard foundation (boxspring) has had one purpose, to raise the mattress up a little higher off the ground to make getting in and out of bed easier. That's all it does. Choosing a Power Base for only a few hundred dollars more will transform your sleep experience. Power bases can help with a myriad of sleep related health issues like snoring, acid reflux, raising your legs for better circulation or for recovering from a leg or ankle injury and more. It also allows you to easily read, watch tv and DINE IN without having to build a pyramid of pillows behind you. This is just the beginning. Over the years I have sold thousands of power bases through my different companies and I don't remember many people ever saying I wish I had bought the standard foundation. Its quite the opposite. Most of our bases come with a zero gravity position which is just, "other worldly."

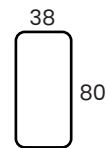

# BASIC SERIES

## ADJUSTABLE POWER BASE

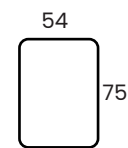

- Independent head incline: 0–58°
- 14-inch height from floor to top of base
- Set up in 15 minutes from start to finish
- 600-pound weight capacity on all sizes

# BED FRAMES

There are multiple styles of bed frames. Some are low to the ground with wheels or legs and their sole purpose is to hold/support a standard foundation (box spring). Other bed frames are called platform bases and they serve several purposes. They bring the mattress high enough off the floor so there is no need for a standard foundation. They have a fully supported surface to place your mattress. Most platform bases also create great usable space for storage.

BED FRAMES

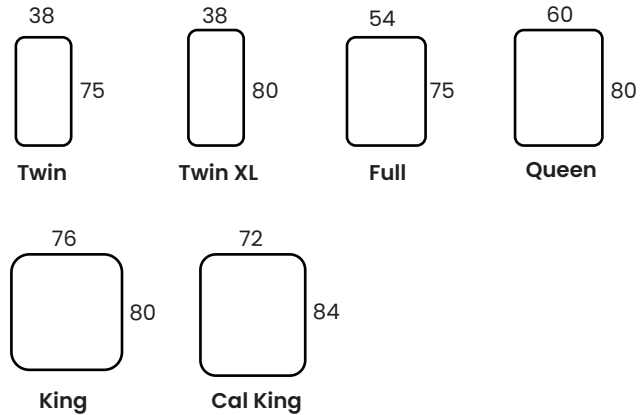

# CONTEMPORARY PLATFORM BED FRAME

- Features a metal frame and brushed, matte black finish
- Sturdy steel legs and frame with 12 inches of underbed storage
- Fits most headboards and includes headboard slots

# BEDROOM FURNITURE

Bedroom Furniture can take multiple forms from simply a headboard to a complete set up which includes a headboard, footboard, side rails and drawers in some models. Most every style of bedroom furniture can accept an adjustable power base. Most power bases fit within the space between the headboard, side rails and foot boards. It sits directly on the floor and has legs that bring the mattress to a good height. Any support slats included with your bedroom furniture in this case can be stored or discarded. I hope you like our collection of upholstered and wood bedroom furniture.

# PILLOWS

Choosing the correct pillow is another crucial part of your sleep experience. Rarely is there a pillow that is one size fits all. I am not even referring to personal preferences of firm, soft, fluffy etc. I am speaking more about the unique width of a persons shoulders comparing a small to tall person. The distance between your head and your sleeping side shoulder, (if you are a side sleeper) is very important to proper neck support. As with proper spinal alignment you get with a supportive mattress, it's best if your neck is properly aligned also. To achieve this you need a pillow that fits your sleeping style whether you're a side, back or stomach sleeper.

PILLOWS

# CARBON COOL™ OMNIPHASE™ PILLOW

- Infused with activated carbon and phase change material for constant temperature regulation that maintains the body's optimum sleep temperature
- Surface coated with OmniPhase™ phase change material, an advanced cooling technology that continuously absorbs and dissipates heat
- Ventilated for increased airflow and breathability
- Shoulder cutout shape ideal for side sleepers; non-mesh Tencel™ Lyocell fabric cover
- Activated carbon infused in the foam creates pathways that move heat away from the head and neck
- Soft, supportive memory foam relieves pressure points

# BED LINENS & ACCESSORIES

Your bed linens or sheets are also an important part of getting a rejuvenating nights rest. While this is more preference related than technical, it is important that you feel comfortable in the sheets you choose as this will translate to your brain as a good thing which will help you relax when you go to bed. Sheets have come a long way from the past where the main choice was cotton. Now there are COTTON, MICRO-FIBER, TENCEL™ and performance sheets from SHEEX®. As far as accessories we have also included a foam topper to help provide more comfort to a mattress, but shouldn't be used to try and revive an older unsupported mattress. We also have a down alternative topper which is similar to what many hotels use these days. Finally a new mattress is not complete without a good mattress protector to help preserve your investment from spills, pet accidents and dust mites.

## DOUBLE-BRUSHED MICROFIBER SHEET SET

- 100% microfiber polyester
- Double-brushed for extra softness
- Deep pocket with elastic fits mattresses up to 14 inches deep
- Fabric is soft and easy to care for; dry on low heat
- Set includes a fitted sheet, flat sheet, and pillowcase(s)

**3 YEAR WARRANTY**

## PREMIER TENCEL™ LYOCELL SHEET SET

- 100% Tencel™ Lyocell made in an eco-friendly and mattresses up to closed loop process
- Sateen weave and soft to care for; fabric create a lustrous and silky-smooth feel
- Temperature regulating fibers wick away extra moisture
- Deep pocket with elastic fits mattresses up to 18 inches deep
- Fabric is soft, strong, and easy to care for; dry on low heat
- Set includes a fitted sheet, flat sheet, and pillowcase(s)

**3 YEAR WARRANTY**

# 600 THREAD COUNT COTTON-BLEND

## SHEET SET

- 600-thread-count with a blend of 52% cotton, 42% polyester, and 5% lyocell
- Fabric is easy to care for and wrinkle resistant; dry on low heat
- Sateen cross weave with the softness of cotton and the performance of polyester
- Set includes a fitted sheet, flat sheet, and pillowcase(s)
- Deep pocket with elastic fits mattresses up to 14 inches deep

**3 YEAR WARRANTY**

# ELEVATED PERFORMANCE

## SHEET SET

Our Ridiculously Soft® **SHEEX fabrics** breathe 10x better than traditional cotton sheets, allowing air to circulate freely around your body to maintain an ideal sleep temperature. Our technical fibers wick moisture away from your skin 2x-3x better than cotton and facilitate faster evaporation, making sure you don't wake up damp or sweaty.

In addition, **SHEEX Elevated Performance** sheets stretch and conform to your mattress, achieving an exceptional fit on mattresses of all sizes. Plus, these patented sheets are wrinkle resistant with a luxurious drape and sheen, requiring minimal care.

**We guarantee SHEEX will be the best sheets you'll ever own.**

# SEATING

We hope you like our collection of sofas, chairs and sofa beds. Our sofa beds come in 2 styles with 6 different colors to choose from. This style of sofa bed is much easier to convert from sitting to sleeping versus the traditional sofa bed style. We will be expanding our seating offerings in the coming months, so please check on our website for the most up to date selections.
